DETAILED ACTION

Drawings

1. The drawings were received on November 10, 2005. These drawings are approved.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 4, 5, 7, 9-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 4, line 6, the phrase "said power source" lacks antecedent basis.

In claim 4, line 8, it is unclear if the "power source" recited on line 8 is the same as the power source recited on line 6.

In claim 5, line 30 (last line of the claim), it is unclear if the "air bag" is the same as the "visual display lifting apparatus" or in addition to the visual display lifting apparatus.

In claim 7, line 14, the phrases "said upper air bag" and "said lower air bag" lack antecedent basis.

In claim 9, line 4, the phrase "said lower air bag" lacks antecedent basis.

In claim 9, line 5, the phrases "said medial air bag" and "said upper air bag" lacks antecedent basis.

In claim 9, lines 9-10, the phrase "said plurality of inflatable air bags" lacks antecedent basis.

In claim 9, the following phrases lack antecedent basis "said air vent" (line 11), "said plurality of linear creases" (line 12), and "said recesses" (line 13).

Allowable Subject Matter

4. Claims 6 and 8 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
5. Claims 15-17 are allowed.

Response to Arguments

6. Applicant's arguments with respect to claims 4, 5, and 7 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
